

July 12: Students' Council elections were organised in which students of classes IX to XII participated. Election is a process of nominating, withdrawing and voting. Our school has adopted the same pattern of election of head-boy and head-girl, which is followed in the general election. As the school is a mini society, we practice democracy in the school. Daksh Yadav, Shikha Rathore and Kuldeep Patidar have been chosen by the students for the post of Head Boy, Head Girl and Sports Captain. The Investiture Ceremony will take place on August 3.
