

## **Science Quiz Report**

28<sup>th</sup> August, 2018 heralded the first inter-house Science quiz competition at Pallavan School. The event witnessed enthusiastic preparation and participation. The teams comprised of one participant per class, from class VI to class X. There were six participants in each house.

The format of the quiz entailed two rounds for each house, wherein the final round was a Prompt Action Round. The time allotted to give the correct answer was ten seconds, failing which the question was passed to the next team. In case, none of the teams were able to answer correctly, the question was open for the audience. The scores were tabulated by Ms. Shalini Sharma whereas Mrs Rizwana Khan and Mr. Walter Ranjeet served as Judges. One point was awarded to the team for every correct answer.

Although the four Houses participated actively, the House that scored the most was Green House (13 Marks) , which was followed by Yellow House (11 Marks) who took the second position and the third position was begged by Blue House( 10 Marks).

There was much jubilation in the winning teams.

Pallavan School encourages positive competition and hopes to bring out the best in all its students through such competitive events, while ensuring that the children learn through all possible ways- not just through books and class-room teaching.
