

The school has organised a “Summer Camp” for the students of Class I to Class XI from May 9 to May 20 to ensure that in summer vacations children can rejuvenate themselves. It has seen an overwhelming response by kids who want to avail the experience camp will impart in Sports, Craft, Music, Dance, Computer proficiency and Spoken English. The faculty members will be taking sessions every day from 8.15 a.m. to 10.45 a.m. The students are getting exposure to very stimulating learning sessions with ‘hands-on-experience’ in the hobbies being pursued by them.

The camp will conclude on May 20, 2016 with a special assembly, wherein the students will share their experiences of the camp. They will also be given participation certificates and mementos.
