### Documentary on Hiroshima and Nagasaki day

Date- Aug. 08.09.2017

Today , a documentary video is shown to the students of class VIII and IX. It is related to the above mentioned topic as “Hiroshima and

Nagasaki Day”. Mr. Hemant and Mr. Anjani was given the charge to conduct this event. Classes were made to sit in Math lab, an audio visual room.

Students were made to know the historical background of the event and shown related video. Mr. Hemant delivered a topic concerned message to the children.

Students took interest in watching the documentary and various questions based on cause and effect were asked related to Hiroshima and Nagashaki Atom Bomb incident and students were able to answer the questions based on consequences of using Atom Bomb.
