

**Report: Hindi Diwas Celebration**  
**Classes Involved: VI-VIII**

**September 14, 2017**

**I. Hindi Essay Writing Competition (Class-VI)**

To celebrate the Hindi Diwas in our school, today Hindi essay writing competition was held on the topic “Hindi as our National language”. All the students participated very enthusiastically in the competition. They had written very good pieces of writing for our National Language. It was very interesting competition.

**II. Poster Making Competition (Class VII)**

A poster making competition was held today to celebrate the theme of the day “Hindi Diwas”. The theme saw children making beautiful posters depicting various ways to promote Hindi Language. They made striking posters touching the idea of saving our mother tongue. The competition was really enjoyed by all the students of class VII. They participated in the competition with cheerfulness. The topic of poster making broadened their imagination horizons. First position was secured by Riya Gandhi, Aadisha and Parineeta both secured second position. Pallavan School strongly believes that involving students in such kinds of events and competitions is important.

**III. Poetry Composition Competition (Class VIII)**

Poetry Composition competition was held today for the students of Grade VIII. The competition was conducted successfully and there were excitement amongst the children till the competition started. Three judges were there to judge the competition, in which Children were placed at first, second and third positions. The first position was secured by Ritika, Second was won by Siddhi and Charvi whereas the third position was secured by Divyanshu and Arpit Sharma.
