

Workshop for Teachers

A workshop of teachers was organized at Pallavan School on Improving Communication and Facilitation Skills among students by Mrs. Saroj Thapa, Senior Consultant at Pallavan Learning Systems. Mrs. Thapa has completed her Ph.D. in Education and Psychology at University of Geneva, Switzerland. In the workshop, Mrs. Thapa gave importance on facilitating in the lives of students by keeping them engaged in different activities - curricular or co-curricular. She also emphasized focusing on teaching based on Circle Time Method in which the students will have advantage of seeing and communicating effectively while facing each other.
