

## Capacity Building of Teachers

To build a strong community of teachers, to strengthen the teachers to plan and make classes more interactive, to ensure students' active participation with their learning process, a series of online training programmes are organised by Pallavan involving national and international level academicians. The training Programmes are focused on topics like "Setting the new Vision of Schools Education in the Changing Scenario" facilitated by Mrs Saroj Thapa, "Classroom Strategies and Classroom Management" facilitated by Ms. Sangeeta Doraiswami and "Developing Language Skills by Ms. Ranu Bhattacharya.

Sangeeta Doraiswami from Pallavan Learning Systems conducts a workshop for teachers of Pallavan School in Jhalawar on 'Classroom Management for a Conducive Learning Environment '
