

Visit To Church

“It is said that the nicest place to be is in someone’s thoughts, the safest place to be is in someone’s prayers and the best place to be is in God’s hands.”

To know more about the power behind prayers, the students of classes I to V visited the church situated at Michael Pura near Suket on December 23rd, 2016. The Church is one of the oldest churches in the whole area. To walk inside the church was a special experience for all our students. As everyone was seated, the priest of the church, Father Dominique walked in to address the gathering. The students were made aware about the ceremonies held in the church and the importance of each one of them and also about significance of Christmas. The young minds were really very inquisitive and found answers to their questions on various religious beliefs from the priest. The serene surroundings added an aura to the place and children sought blessings from the Almighty for them and their loved ones.
